

Brazosport College
Direct Scholarship Fund
Kenneth McMillan Memorial Scholarship
Sponsored by, IsoTherapeutics Group, LLC

ELIGIBILITY

The student must be registered as a student at Brazosport College carrying a minimum of twelve (12) semester hours per term.

The student should be pursuing a career in a Science, Technology, Engineering or Mathematics (STEM) related field.

Financial need will be a consideration.

The recipient must be performing academically to a point that predicts success in that chosen field.

Two letters of recommendation are required: one from a principal, counselor, or teacher and one from a community or church leader.

Must attach a letter of acceptance from Brazosport College and a high school transcript.

AMOUNT

\$1,000.00 SCHOLARSHIP FOR QUALIFIED RECIPIENT.

ADMINISTRATION

Scholarship award will be based on the quality of the applicant's personal statement of career goals and perceived aptitude for success. Awards will be distributed equally in the fall and spring semesters.

To qualify for the scholarship, applicants must:

- Meet the established guidelines of the scholarship agreement.
- Complete Brazosport College Scholarship and FASFA application;
- Provide evidence of satisfactory academic achievement with a minimum 2.50 GPA to receive second semester award.
- The scholarship will be awarded to a qualified applicant in the spring semester if original recipient does not meet scholarship requirements.

Once the scholarship has been awarded to the student, any decision to drop a class must be made by the established "drop with a full refund date" as determined by the class schedule. Any and all refunds will be made to the Kenneth McMillan Memorial Scholarship Fund.
